

Final Objectives 2022-23

Clinical Resources Review Committee

Chair: Daniel Freess, MD, FACEP

Board Liaison: L. Anthony Cirillo, MD, FACEP

Staff Liaison: Sam Shahid, MBBS, MPH

1. Review externally funded ACEP products (excluding federal grants), including but not limited to bedside point-of-care tools, toolkits, etc.
2. Review and update processes for committee operations.
3. Review and comment on draft ACEP information papers on clinical topics as needed.
4. Review products developed by other organizations and requesting ACEP's comments.
