

BROKEN TO BREAKTHROUGH^(c)

BY: KELLEY UPCHURCH MOORE

Over and over in your mind you hear the words that people say,

"This too shall pass" "It is what it is." And "this will all be a blessing one day"

Fact is, that's all true and can't be denied
yet your heart breaks with words loud and unspoken.

You're battle weary, Warrior.

Tired. Defeated. Broken.

Yet, Deep inside a tiny voice whispers, "Surrender is not defeat."
It means Rise up and give back a little to gain more of what you need.

Your time is now, weary warrior. Give back the fight and pain.
Release the worry, anguish and fear
And prepare to receive your gain

In times like this when all seems lost,
When beaten, battered and broken
The moment of magic lies in those words of your heart whispering
loudly, yet unspoken

Raise the voice of your warrior's heart
Let surrender serve
Raise the voice of hope within
Let in the joy and love you deserve.

Broken to breakthrough is simply a choice
Not easy to see in the midst
Cling to the promise of time heals all.
And know it won't always be like this.

This battle will pass, whatever it is
Choose to believe and choose the truth
The time is now to declare out loud,

"I'm not broken. I'm a breakthrough."
